Robin Vizzone's Peculiar Primitives—A Collection of Eclectic Projects

Hand-Dyed Wool & Embroidery • Quilts, Dolls, Pillows & More

Primitive lines harken back to our American roots, reminding us of simpler times. Embrace the beauty of hand stitching with whimsical, age-worn designs. From wall quilts to table toppers and primitive dolls to pincushions, you'll sew 12 handcrafted projects with eccentric flair and distinct character—ideal for both beginners and more experienced sewists. Your stitches are meant to tell a story, so put perfection to the side as you create memories with felted wool, distressed cottons, and embroidery thread.

- Sew 12 eclectic designs using felted wool appliqué and hand embroidery
- Embrace perfectly imperfect construction that truly embodies the primitive look
- Savor slow sewing while making handmade gifts for those you love
